

Laughton-en-le-Morthen Parish Council

(Ordinary Meeting 10th December 2014)

Present: Councillors Mr T Stanway (Chairperson), Mr P Lilleker (Vice-Chairperson), Mr. P Shackley, Mrs J Leaning, Mr K Evason, Mrs J Robinson and Martin Gourley (Parish Clerk). In attendance: Anne Mitchell LVHMC Chairperson, Mr. R Thrower & Mr. Greg Price. P. Kenny, M. Thompson, M. West, M. West (2), P. Wilde, G. Gibson, J Green, Chris Orange and Sally French. Apologies: Councillor Mr S Johnson and PC Shaun Rhodes.

92. Open Forum for Parishioners in Attendance

i) Chris Orange, a resident of Carr, requested advice and support to get the Old Mineral Line bicycle track extended across the old colliery landfill site and into Carr. Councillor W explained that the landfill site is not within Laughton Parish but suggested that she put her request to the owner/developer of the landfill site, FCC Environment and/or the consultative forum attended by Councillor J. Councillor J offered to provide FCC's contact details and details of future consultative meetings.

Resolved: Councillor J and Ms. C. Orange liaise regarding FCC contact details and future meetings.

ii) Sally French, a resident of Laughton, requested the PC's support in attempting to get an improved bus service between Rotherham District General Hospital/Thomas Rotherham College and Laughton en le Morthen. The 19c service passes the hospital and college but only serves Laughton Common. The 20 service serves Laughton en le Morthen but only runs 4 times a day and is often full of passengers making short journeys when traveling along Moorgate. After discussion Councillor W proposed that The Clerk should write a letter of support. Seconded by Councillor J and all agreed.

Resolved: The Clerk will write a letter of support to SYPTE.

iii) In October 2014 the Clerk wrote to all St. John's Road Allotment tenants to remind them that all unauthorised structures should be removed by 14th April 2015. The ruling was made in 2010 and has since been part of the tenancy agreement. In November 2014 representatives of the Allotment Society attended the PC meeting and requested that the decision be overturned on the grounds that the allotment site now looks much better than it did in 2010 and that some tenants used the welfare facilities in their caravans. After considering the request the PC decided that it would be unfair to those who have already abided by the ruling if the four tenants were allowed to keep their caravans on-site. The Clerk later wrote to the

Allotment Society Chairperson giving the PC's decision: that all unauthorised structures and caravans should be removed from the allotment site by the due date and advised the Society that the PC would be prepared to look into the feasibility of working with Allotment Society to provide a communal toilet facility.

In December representatives of the Allotment Society again attended the PC meeting to express their dissatisfaction about the PC's decision.

After discussion it was proposed by Councillor M that the PC attends the allotments in January 2015 and re-assesses the site. Seconded by Councillor K and all agreed.

Resolved: The Clerk notifies the Allotment Society Chairperson and arranges a site meeting in January.

iv) Mr. M West, plots 80-87, has several unauthorised buildings and is not abiding by the tenancy agreement rule that at least 50% of each plot should be cultivated with crops. The Clerk has written to Mr. West and requested that the unauthorised buildings be removed and, due to the fact that Mr. West has previously been sent polite warning letters, requested that he gives up three plots. In a telephone conversation Mr. West agreed to give up four of his plots and met with The Clerk and Allotment Society Chairperson on site to discuss the arrangement. At the meeting Mr. West accepted that he would remove buildings made from tin (an unauthorised material) during the two week Christmas holiday. However he was reluctant to give up any plots and said that he would cultivate all the plots to the required 50%.

Mr. West attended the PC meeting to confirm his intentions to carry out the work as described above. It was proposed by Councillor W that Mr. West should be given until 31st March to carry out the work when progress would be reviewed before the 2015/16 rents are collected. Seconded by Councillor K and all agreed.

Resolved: The Clerk will give the decision to Mr West in writing.

93. Minutes of the meeting held on 12th November 2014

Resolved: The minutes were accepted as a true and accurate record.

94. Declaration of Prejudicial & Pecuniary Interests

Councillor J declared that she had an interest in the correspondence received from children of All Saints' Church School as she is a School Governor.

95. Matters Arising from the Minutes

i) Councillors have previously agreed that Neil Wylde, arborist, should be asked to fell the ash tree on the boundary of the recreational ground and properties on Longthwaite Close to

prevent ash keys taking root in the foundations of nearby properties. Mr Wylde says that he is not equipped to carry out the work.

Resolved: Councillor K will obtain an alternative quote.

ii) A Parishioner has reported to Councillor J that she cannot access the recreation area on her mobility scooter via the footpath from St John's Road, adjacent to the bus stop, because the barriers at the recreation ground end are too close together. The Clerk has reported the matter to RMBC, reference number 1-377529868, and Chris Hayes is dealing with the matter.

Resolved: One leg of the barrier has been removed to allow mobility scooters to pass through.

iii) The public footpath between New Street and the recreational ground is hazardous due to overgrown hedging.

Resolved: The matter has been reported to StreetPride reference JADU57984.

96. Parishioner's Written Requests

Nothing received.

97. Items under Review

A) Use of Recreation Ground

Playground

i. A number of issues have been raised by RMBC Play Equipment Inspectors:

- a) Multi-play (junior) - Bolt cap covers missing/damaged. "low risk"
- b) Climbing frame - Bolt cap covers missing/damaged. "low risk"
- c) Bearings worn/missing on zip wire. "low risk"
- d) Fexus seat on Freeride damaged. "high risk". The item has now been removed by RMBC.

The Clerk has requested Mr. Kenny, RMBC, to source the spare parts needed and carry out repairs. The cost to purchase and fit a new Flexus seat (item d above) is £50 + vat and Mr. Kenny said that RMBC will supply and fit the bolt covers free of charge. He is still waiting to receive a price from Kompan for the zip wire bushes.

Resolved: The Clerk will liaise with Stewart Kenny, RMBC regarding existing and future repairs.

ii. Local builder, Mr Harrison, has back-filled the eroded soil, laid paving stones and extended the kick-wall to prevent further erosion. Mr Harrison attended the meeting and was paid for his work.

Resolved: The Clerk paid Mr Harrison for this work and for laying a path to the defibrillator (cheque for £480).

B) St John's Road Allotments

(i) Lease arrangements with St Leger Estates (via Savills)

The PC has still not received the new lease. Given the PC's offer to provide assistance to the Allotment Society to provide toilet facilities and uncertainty that not having a lease poses regarding future development of the site the Clerk will send a polite letter to Saville's requesting the new lease. **Resolved: Awaiting new lease.**

(ii) £20 rent remains outstanding and the plot has not been worked despite several requests.

Resolved: The Clerk has written to the tenant and terminated his tenancy.

(iii) The Clerk has sent letters via recorded delivery to eight tenants, who have previously received warning letters, terminating their tenancy because they have not worked their plots as per their tenancy agreement. Three tenants (plots 1+2, 50 and 89+90) have replied to the Clerk, giving reasons for the lapse and asking if they could be given a chance to resolve the issue. After consideration, Councillor W proposed that the Clerk should write to the tenants and give them until 31st March to make a considerable effort towards cultivating at least 50% of their plots in the coming year and state that if sufficient work has not been done their rent, due in April 2015, will not be collected and their tenancy will be terminated. This was seconded by Councillor K and all agreed.

Resolved: The Clerk writes to the tenants and advises them that they have until 31st March 2015 to prepare and cultivate at least 50% of their plot(s) or their tenancy will be terminated in April 2015.

v) The asbestos store needs emptying. The Clerk has now obtained a quote from C. H. Middleton of Doncaster who will charge £250 per load + £280/tonne (minimum £112/400Kg) for disposal and £56 for the consignment note/administration. The Clerk will agree a date in the new year for collection and ask the Allotment Society to ensure that all known asbestos is brought to the store for collection.

Resolved: The Clerk will agree a collection date with contractors and request the Allotment Society to clear any outstanding asbestos for plots prior to the agreed collection date.

vi) The hedge along the access track has been trimmed. The Clerk has now received & paid the invoice for £70.00.

Resolved: The invoice has been paid.

C) RVS Area Assembly & Parishes Meeting

Councillor W attended a meeting of the RVSAA at Laughton Village Hall on 8th December 2014. The primary discussion point was the further funding cuts by Central Government due in 15/16, which will result in RMBC having to make savings of £23m, and their likely impact

on the Rother Valley South area. To quantify the funding cuts, they equates to the current cost of running all the following services: Libraries: £3.3m Highways Maintenance £5.0m Waste Collection and Treatment £11.8m Street cleansing & grounds maintenance £3.4m. Based on projected funding and spending, RMBC has predicted an increasing shortfall year-on-year and estimates a funding gap of £77.5m by 2019/20.

RMBC are consulting with the public, primarily via the website community.rotherham.gov.uk and are seeking comments and suggestions on how money can be saved. Councillor W expressed concern at the meeting that the consultation's dependence on the internet will exclude significant numbers of the public and suggested that information should be displayed in places of high public footfall such as doctors' surgeries, supermarkets, etc.

D) Weed spraying (including Japanese knotweed on recreation ground)

Weed spraying has been carried out.

Resolved: The Clerk pays for the work on receipt of the invoice.

E) Village Associations

Brookhouse: The last meeting of the association was cancelled. Nothing else discussed.

Slade Hooton: A new public noticeboard has been fitted under the railway bridge.

Resolved: The Clerk will pay for the new noticeboard on receipt of the invoice.

Carr: Nothing discussed.

F) Streetpride

Dog fouling and Fly Tipping in the Parish.

Mr Finn, RMBC, has offered to supply and install some generic "No dog fouling – Max fine £1000" signs at the entrances to the recreation ground and apply stencils to footpaths in other parts of the parish. The PC has previously accepted the offer and the Clerk is expecting a call from Mr. Coates, RMBC, to agree locations and when the work will be carried out.

Resolved: Mr Coates, RMBC, installs the signage and stencils pavements.

G) Website design and quotation

i) Councillor K and the Clerk have confirmed that Northern Peak have now completed the final set of corrections/changes requested by the PC and believe that they have now delivered all contractual requirements. The final invoice has now been received and paid. At last month's meeting it was agreed that the PC pays to have "write access" to the entire site at a cost of £300 - £350. The Clerk has delayed requesting this to be done until the new web-site has been made available to the public as the site has now been inaccessible for several months. Once access to the public has been given the Clerk will discuss a new contract for the work to give the PC "write access" to all parts of the site.

Resolved: Once the site goes live the Clerk will instruct Northern Peak to provide write access to the entire site at a cost of £300 - £350.

ii) Royal Mail have entered the Village Hall onto the official Postal Address File [PAF] under the postcode S25 1YD.

Resolved: The VH has now been allocated an official address.

Concern has been raised about the possible danger posed from having an open letterbox at the Village Hall, due to its secluded location. At last month's meeting the Clerk was asked to arrange for correspondence to be re-directed to his home.

Resolved: Now that the VH is listed on the official Postal Address File, the Clerk will apply to have mail redirected to his private address.

H) Parking Issues at All Saints' School

At the PC Meeting held in June 2013 a parishioner raised concerns about the ongoing problems caused by parents parking outside the Church School, High Street, Laughton. Since that time the PC's attempts to engage school staff in discussion about the illegal and inconsiderate parking had failed until April 2014 when the Head Teacher met with the Clerk and discussed proposals of: getting the pupils to design a no parking sign for display in front of the school; a walking bus from the Village Hall car park and setting up a meeting with the school governors and the PC to discuss what could be done to alleviate the problem. None of the proposals had been acted upon and the Clerk continued to request a further meeting with school staff until Mrs Morley Acting Head Teacher agreed to meet him on 12th November. Mrs Morley and the Clerk agreed to write a joint letter to South Yorkshire Police and RMBC requesting a meeting school staff, school governors and the PC.

The Clerk has now got agreement from the following people to attend a meeting, of which the date/venue still has to be agreed: Martin Beard, RMBC Parking Services Manager; Marc Hill, Traffic Liaison Officer; Andrew Clarkson SYP PCSO Shaun Rhodes SYP PC 518 (subject to operational requirements) together members of the School Staff and Governors and the PC.

Resolved: The meeting will take place at 10:30am on the 5th January 2015 at All Saints' Church School.

J) Newsletter Distribution

The next newsletter is due to be distributed at the end of November.

Resolved: The newsletter was produced and distributed.

K) Risk Assessment Review

There was no update from Mr McDonald who was not at the meeting.

Resolved: Simon McDonald was not present at the meeting but he is currently waiting to receive a report from his Risk Assessors.

98. Police in the Community

PC Rhodes has been on sick leave after suffering an injury on duty. He is currently employed on 'light duties'. The Clerk had not received the crime figures in time for the meeting. It was agreed that they should be placed on record in the minutes if they are received in time.

Crime figures for the two month period 9th October to 10th December 2014

Newhall - No recorded crimes.

Brookhouse - No recorded crimes

Slade Hooton - 2 recorded crimes;

1+2) 12/10/2014 & 12/11/2014, Abbey Lane, Criminal Damage:

Both offences relate to an unknown/unidentified 4 x 4 type vehicle, driving over fields and damaging crops.

Carr – 2 recorded crimes

1) 08/12/2014, Low Lane, Theft:

2 x batteries and inverter stolen from a field.

2) 10/12/2014, Carr Lane, Burglary Other:

Stables entered and generator and tools stolen.

Laughton En Le Morthen – 4 recorded crimes;

1) 13/10/2014(D) St. Johns Road, Assault:

Minor domestic assault, no serious injuries. Detected crime.

2) 18/10/2014 Eastfield Lane, Criminal Damage:

Unknown/unidentified 4 x 4 type vehicle, driven over fields damaging crops.

3) 19/11/2014, School Road, Common Assault:

Domestic assault, minor injuries – detected crime.

4) 22/11/2014, Firbeck Lane, Burglary Other:

Shed entered and lawn mower and rotivator stolen.

99. Village Hall Issues

a. Car park & recreation ground improvements

i. Dog fouling continues on the car park, recreation area and football fields. Please see item 97F above.

ii. Car Park Barrier: Councillor W has not yet received a quote from Mr. D. Redford for the erection of a barrier (rather than a gate for safety reasons) at the entrance to the car park to prevent antisocial behaviour during the night. Councillor X has now obtained three quotations:

- 1) Electrogate Limited (Jack Webster): £3335 + VAT, to supply and fit an Automatic Barrier plus a further £1800 + VAT for optional work of supplying and installing Fencing.
- 2) Expert Security UK (Danny Scholfield): £5,843 + VAT, to supply and fit Security Barrier & Access System plus optional Warning Signs (£65) and Instruction Signs (£95).
- 3) Newgate Secured Access Solutions (Mark Watson): Supply only £3,448, Installation £1030, Associated Civil Works £3020 = £7,498 + VAT. A price list of 10 optional accessories was also included.

Each quotation offers a different solution.

Resolved: The PC will use the three quotations to produce a statement of requirements so that each company can bid for the same design.

b. LVHMC Treasurer

No financial report was available because the Treasurer was not in attendance. Ann Mitchell reported that she had received an email from the Treasurer which indicated that the VH would have a surplus of circa £1,900 at the end of the financial year.

c. Village Hall Security

Since approval was given at November's PC meeting Central Electrical have installed:

A light fitting with time lag switch under the porch area of the front door: A light with PIR sensor to cover the defibrillator area: An external light with PIR sensor outside backstage fire exit door: A R.E.D protected mains power connection for defibrillator: A light and switch in consumer unit cupboard: An external light with PIR sensor to rear of kitchen.

The following work is still to be completed:

- 1) Install a standard definition CCTV camera to cover the defibrillator area and 2) carry out Servicing to car park lighting.

Resolved: Central Electrical will return to fit the CCTV camera and service the car park lighting when a cherry picker is available.

A specification for the refurbishment of the CCTV has been drawn up Councillor W and Central Electrical and Riber have been asked to quote for the new specification.

Resolved: Central Electrical have submitted their quotation. The PC awaits Riber's quotation.

Ann Mitchel said that JP Solutions, who the VHMC have employed to test emergency lighting and PAT test portable items, have asked to be allowed to quote for the upgrade of the CCTV system.

Resolved: The Clerk was asked to supply a specification to JP Solutions.

d. Review of Village Hall Constitution

ii. The VH constitution makes provision for subsidised hire rates for low income or minority groups but it is incumbent of the group to provide audited annual accounts to verify their financial position. The PC is no longer receiving the accounts. Councillor W proposed that the Clerk writes to the affected groups/clubs to remind them of their obligation and state that if the accounts are not supplied the subsidy will cease. Seconded by Councillor J. All agreed. The Clerk has written to the Karate Club and the Bowling Club.

a) David Bilson, the secretary of the Karate Club, has replied stating that; as the fees they charge students do not cover the cost of administration, VH hire and examination fees, Instructors regularly subsidise the Club's activities and the cost of having accounts audited is prohibitive. After discussion it was agreed that the Clerk would explain to the Secretary that only independently, not professionally, audited accounts are required.

b) The Bowling Club has requested Councillor W to audit their accounts and he has agreed to do so.

Resolved: a) The Clerk will write to the Karate Club and clarify the requirement. b) Councillor W will audit the bowling club accounts.

e. Defibrillator

Paul Harrison, local builder, has now laid a footpath to the defibrillator and attended the meeting to submit his invoice. The Clerk paid Mr Harrison by cheque.

Resolved: The path has been laid and the invoice for the work paid.

Yorkshire Ambulance Service has offered to provide a defibrillator familiarisation course. In last month's meeting the Clerk was asked arrange a course in the New Year and advertise the event in the Parish Newsletter.

Resolved: The Clerk sets up and advertises the familiarisation course.

f. Safety issue raised by Mother & Toddler Group

The Mother & Toddler group have previously raised concern that the VH door slamming closed during windy weather is a safety hazard and it was agreed that a door closer would be fitted. Councillor W has now purchased and fitted a sprung door closer. The Clerk has reimbursed the cost on receipt of the invoice.

Resolved: A sprung door closer has been purchased, fitted and paid for.

g. Committee Room Clock

At last month's meeting it was agreed to replace the faulty clock in the committee room. Councillor W has purchased and fitted a replacement. The Clerk reimbursed the cost on receipt of the invoice.

Resolved: A replacement clock has been purchased, fitted and paid for.

100. Environmental Issues

a) Brookhouse Dyke

Last month Councillor J reported that the culvert is currently running clean and the sewer is odour free.

b) Thurcroft Landfill

There have been no meetings since the last PC meeting.

Councillor X has previously suggested that grants may be available from FCC Environmental, the landfill developers, for worthy causes within the parish.

Resolved: Councillor J will enquire if landfill grants are available from FCC Environmental.

101. Finance Report

a. Income Received and Accounts for Payment:

<u>Debtor</u>	<u>Description</u>	<u>Amount</u>
Santander	Interest on savings account	6.78

<u>Creditor</u>	<u>Description</u>	<u>Amount</u>
The Clerk	Petty cash receipts	103.74
Councillor J	Remembrance Day wreath	25.00
Voluntary Action Rotherham	Grant - People In Need	50.00
Roche Abbey Walk Committee	Return of 2013 Walk Fund Balance	252.98
Roche Abbey Walk Committee	Grant	100.00
CPC	VH Door Closer & Clock	92.36
RMBC	Grounds Mtce	185.08
N Wylde	Allotment hedge cutting	70.00
Alex Munro	VH Caretaker's Wages	208.00
Jon Shaw – Leaf & Grass	Village planter maintenance	185.00
Paul Harrison	Kick wall repairs & path to defibrillator	480.00
The Clerk	Salary	177.89
Petty Cash receipts	Newsletter & RVSAA refreshments	60.45
Northern Peak	Final payment for new website	413.40

b. The Clerk has sent a cheque for £50 to the RMBC – Food for People in Crisis Appeal as Agreed at last month’s meeting.

c. The Clerk has received information about possible grants from “YORbuild 4 Good Fund” (up to £5,000 for community projects across Yorkshire and the Humber)

Resolved: The PC should consider the fund when financing projects.

d. Precept allocation to hamlets 2014/15

The allocation to hamlets was explained to C. Orange, Carr resident. Nothing else was discussed.

e. In November the Clerk presented a budget for 2015/16 (detailed below) in order that the PC can set the 2015/16 precept request when the documentation is received from RMBC. The budget figures were split into essential spend, routine and planned maintenance and grants. Circa £18K is required for essential spend.

Resolved: The Clerk awaits the receipt of the Precept Allocation documentation from RMBC.

f. The Clerk has submitted a claim for a VAT refund of £1489.51 for the year ending 30th November 2014.

102. Planning Applications

1) RB2014/1463 Listed Building Consent to replace existing windows to the front of 2 Church Corner Laughton-en-le-Morthen. After careful consideration the PC had no objection.

2) RB2014/1416 Erection of 500kW single wind turbine (50m to hub and 77m to blade tip) with associated ancillary structures at land North of Carr Lane Carr. The Parish Council’s decision was to object to the application for reasons that can be summed up as:

- a) The positive contribution to the environment, in terms of eco power generation, is far outweighed by the adverse impact to the environment by developing the site.
- b) Having consulted with a number of parishioners 42 expressed their objection to and only 2 were in favour of the application.
- c) The Parish Council believes that a full public consultation should take place before a decision is made.

Resolved: The Clerk submits a letter of objection in the above terms.

3) RB2014/1511 Erection of 22 dwelling houses at The Crescent, Thurcroft. The PC’s decision was to oppose the application because the effluent produced by the development will add to the ongoing problem of sewage overflowing from the inadequate drainage system, that passes through Brookhouse, causing faeces and sanitary products to be deposited on the High Street.

Resolved: The Clerk submits a letter of objection in the above terms.

For information:

RB2014/1556 Installation of 1 No 10kW turbine (14.9m hub height and 21.5m tip height)
(amendment to RB2014/0719) at Woodland Farm Rotherham Baulk Gildingwells

103. Consultation Documents

Circulated via email:

- 1) RMBC - Rotherham MBC Budget Consultation
- 2) RMBC - Delivering Rotherham's Priorities: Council launches budget consultation
- 3) Rural Services Network - Spotlight on Heart of the Village
- 4) RMBC - Parish Network Meeting Agenda 9TH December 6PM
- 5) Community Alcohol Partnerships - Drinkaware campaign to help tackle underage drinking
- 6) Rural Services Network - Email News Digest
- 7) Rural Services Network - Rural Opportunities Bulletin
- 8) Public Sector Executive Online - Government announces plans for £15bn Road Investment Strategy
- 9) Friends of the Peak District – Newsletter

Paper documents to be circulated at the meeting:

- 1) Presentation on Community Infrastructure Levy
- 2) Noticeboard brochure
- 3) LCR Magazine

104. Correspondence

- 1) Reply from Karate Club re. Subsidised VH Rent. Discussed at item 98d above.
- 2) RMBC – Parish Councils & Council Tax Support Grant. Discussed at 97c above.
- 3) Data Protection Registration – renewed.
- 4) Children of All Saints church School. To be put on the agenda for January's meeting.
- 5) RMBC – Community Infrastructure Levy. Discussed - NFA
- 6) Invitation and request for agenda items - PC Liaison Meeting to discuss Environment & Development issues on 20/01/15 at Rotherham Town Hall. Discussed - NFA.

105. Any Other Business

ii) A parishioner has requested that a noticeboard be erected at the High Street/Hooton Lane crossroads to advertise PC business and VH events. It was suggested that a good location would be at the side of the Royal Mail post box. To be discussed at the next meeting.

Resolved: The request will be discussed at the next meeting.

106. Date and Time of Next Meeting

That the next Ordinary Meeting will take place on Wednesday 14th January 2015 at 7pm in the Village Hall, Firbeck Avenue, Laughton-en-le-Morthen.

Budget for 2015/16

Receipts:2014/15
